

Are you LGBTQ*?

Are you aged between 16 and 19? Are you living, studying or working in the Hutt Valley? If you answered yes to all of those questions, are you also interested in participating in a focus group or interview to see how the Hutt City Libraries could better meet your needs?

I am conducting research for my Masters in Information Studies at Victoria University of Wellington on what information local LGBTQ* teens need or want, and how the Hutt City Libraries could help to meet those needs.

This research has been approved by the Victoria University of Wellington Human Ethics Committee (reference number: 26540). I am seeking teens aged 16-19 who identify as LGBTQ*, and are living/studying/working in the Hutt Valley.

If you choose to participate, your responses will be kept confidential. Focus groups will run for around 90 minutes, and will be run after school. **Snacks will be provided.** If you are interested in participating or have any questions, please contact me at shulamjay@vuw.ac.nz, or my supervisor Jennifer Campbell-Meier at Jennifer.Campbell-Meier@vuw.ac.nz.
